**Question A**  
**Charter Amendment**  
**Citizens' Election Fund System**

Amending the Howard County Charter to require the County Council to pass a law establishing a Citizens' Election Fund System that includes public funding for the campaigns of candidates for county executive or county council, or both. The express legislative purposes for the Amendment include that any System to be proposed for adoption by the Council would promote and encourage broader access to elective office in Howard County, enable County citizens to run for office on the strength of their ideas, and provide for small donations by citizens and matching public funds. The Council law must allow candidates to choose whether to participate in the System, and must establish a commission of County residents to determine annually the amount of County funding required to fully fund the System for the full election cycle for the ensuing fiscal year. The County Executive's proposed annual budget must include the required amount, but if the Executive does not include that amount, the Council can add the required amount to the proposed budget. The Executive's proposed annual budget does not have to include the required amount if funds are transferred from the "rainy day fund" to the current expense budget during the current fiscal year, or the Executive certifies that the County's fiscal condition makes it imprudent to include the required amount, and the Council approves the certification by a two-thirds vote. Unspent money in the Citizens' Election Fund at the end of the fiscal year would not lapse into the County treasury.

**For Question A**

**Against Question A**

**Question 1**  
**Constitutional Amendment**  
**(Ch. 511 of the 2016 Legislative Session)**  
**Appointments and Special Elections for Attorney General and Comptroller**

Changes the way the Governor fills a vacancy of the Attorney General or the Comptroller and requires a special election for vacancies that occur on or before a certain date. Under current law, the Governor fills a vacancy by appointing an individual to serve for the remainder of the term. Under the amended law, if the vacating Attorney General or Comptroller was a member of a political party, the Governor must fill the vacancy from a list of three names provided by the political party of the vacating official, and if no names are provided by the political party within a set time period, then the Governor must select a successor from the political party of the vacating official. If the vacating Attorney General or Comptroller was not a member of a political party, then the amended law requires the Governor to appoint any qualified individual. The Governor must make the appointment within a set time period following the vacancy. The amended law requires a special election to replace the successor if the vacancy occurs early enough in the term to allow for candidates to participate in the regular elections held in the second year of the vacating official's term.

(Amending Article V, Section 5 and Article VI, Section 1 the Maryland Constitution)

**For the Constitutional Amendment**

**Against the Constitutional Amendment**

**Question B**  
**Charter Amendment**  
**Changes to Budgetary and Fiscal Procedures**

Amending the Howard County Charter to require that the County's annual budget include a contingency reserve in the current expense budget and a contingency reserve capital project in the capital budget. Any appropriation for the contingency reserve in the current expense budget could not be greater than 3% of the amount of money in the general fund. The County Council's budget authority would be expanded by allowing the Council to increase appropriations in the annual County budget for the contingency reserve and the contingency reserve capital project required by this proposed Charter amendment, and for the retiree obligations trust. The County Executive's budget authority would be decreased by requiring, instead of allowing, the Executive to include a contingency reserve in the current expense budget and a contingency reserve capital project in the capital budget.

**Question 1**  
**Constitutional Amendment**  
**(Ch. 511 of the 2016 Legislative**  
**Session)**  
**Appointments and Special Elections**  
**for Attorney General and**  
**Comptroller**

Changes the way the Governor fills a vacancy of the Attorney General or the Comptroller and requires a special election for vacancies that occur on or before a certain date. Under current law, the Governor fills a vacancy by appointing an individual to serve for the remainder of the term. Under the amended law, if the vacating Attorney General or Comptroller was a member of a political party, the Governor must fill the vacancy from a list of three names provided by the political party of the vacating official, and if no names are provided by the political party within a set time period, then the Governor must select a successor from the political party of the vacating official. If the vacating Attorney General or Comptroller was not a member of a political party, then the amended law requires the Governor to appoint any qualified individual. The Governor must make the appointment within a set time period following the vacancy. The amended law requires a special election to replace the successor if the vacancy occurs early enough in the term to allow for candidates to participate in the regular elections held in the second year of the vacating official's term.

(Amending Article V, Section 5 and Article VI, Section 1 the Maryland Constitution)

**Question A**  
**Charter Amendment**  
**Citizens' Election Fund System**

Amending the Howard County Charter to require the County Council to pass a law establishing a Citizens' Election Fund System that includes public funding for the campaigns of candidates for county executive or county council, or both. The express legislative purposes for the Amendment include that any System to be proposed for adoption by the Council would promote and encourage broader access to elective office in Howard County, enable County citizens to run for office on the strength of their ideas, and provide for small donations by citizens and matching public funds. The Council law must allow candidates to choose whether to participate in the System, and must establish a commission of County residents to determine annually the amount of County funding required to fully fund the System for the full election cycle for the ensuing fiscal year. The County Executive's proposed annual budget must include the required amount, but if the Executive does not include that amount, the Council can add the required amount to the proposed budget. The Executive's proposed annual budget does not have to include the required amount if funds are transferred from the "rainy day fund" to the current expense budget during the current fiscal year, or the Executive certifies that the County's fiscal condition makes it imprudent to include the required amount, and the Council approves the certification by a two-thirds vote. Unspent money in the Citizens' Election Fund at the end of the fiscal year would not lapse into the County treasury.

**Question B**  
**Charter Amendment**  
**Changes to Budgetary and Fiscal**  
**Procedures**

Amending the Howard County Charter to require that the County's annual budget include a contingency reserve in the current expense budget and a contingency reserve capital project in the capital budget. Any appropriation for the contingency reserve in the current expense budget could not be greater than 3% of the amount of money in the general fund. The County Council's budget authority would be expanded by allowing the Council to increase appropriations in the annual County budget for the contingency reserve and the contingency reserve capital project required by this proposed Charter amendment, and for the retiree obligations trust. The County Executive's budget authority would be decreased by requiring, instead of allowing, the Executive to include a contingency reserve in the current expense budget and a contingency reserve capital project in the capital budget.

Official Ballot  
Presidential General Election  
November 8, 2016

BS 7

State of Maryland, Howard County

Instructions

Making Selections

Fill in the oval to the left of the name of your choice. You must blacken the oval completely, and do not make any marks outside of the oval. You do not have to vote in every race.

Do not cross out or erase, or your vote may not count. If you make a mistake or a stray mark, you may ask for a new ballot.

Optional write-in

To add a candidate, fill in the oval to the left of "or write-in" and print the name clearly on the dotted line.
